Re: FERC Project Nos. 77-298, 77-285; Revised Initial Study Report

Dear Secretary Bose:

Mendocino County Inland Water and Power Commission, Sonoma County Water Agency, California Trout, Inc., the County of Humboldt, California, and the Round Valley Indian Tribes (together, NOI Parties) hereby submit a revised version of the Initial Study Report (ISR) originally filed on September 14, 2020. We have also posted the revised report at the project website:
<https://www.twobasinsolution.org/reports/>.

The NOI Parties are filing a revised version because certain portions of the ISR contains proposed cultural resource studies that are considered privileged pursuant to 18 C.F.R. §§ 4.32(b)(3)(ii) and 388.112 (2019) and are being filed with the Federal Energy Regulatory Commission as non-public. The NOI Parties request that the materials be withheld from public disclosure.

If you have any questions regarding the above, please do not hesitate to contact Michael A. Swiger at (202) 298-1891. Thank you for your assistance in this matter.
